

**Afzelia**  
ENVIRONMENTAL CONSULTANTS

## CURRICULUM VITAE

### **HELASHINI KALAWAN**

**BSc (Hons) Environmental Monitoring and Modelling  
Specialist Consultant Health & Safety**

Helashini graduated from the School of Applied Environmental Sciences, University of KwaZulu-Natal. She completed an undergraduate degree in Environmental Science and is currently in her final year of completion of an Honours degree in Environmental Monitoring and Modelling through UNISA. She has been involved in environmental, health and safety experience in the following industries: construction, local government and FMCG. Helashini has worked in the Environmental Resource Management Department at the City of Cape Town, on numerous Eskom heavy current power lines and substation projects, Transnet and local governmental projects. Her interests lie primarily in waste management, incident investigations, erosion control, occupational health and safety. Helashini is a Member of SAIOSH (South African Institute of Occupational Safety and Health) and is also a member of IOSH (Institute of Occupational Safety and Health United Kingdom & RSA).
