ENVIRONMENTAL CONSULTANTS

CURRICULUM VITAE

SOLOMON FATAKI

**Bsc Environmental Management
with Specialization In Botany – UNISA
Environmental Consultant, French Translator and Administration**

Solomon graduated from the School of Environmental Science with a Bachelor of Science degree and majored in Geography and Botany at the University of South Africa.

Solomon is from the Democratic Republic of Congo and he can fluently speak and write both English and French language. He has many years of experience working as a French interpreter for various Non-Governmental Organizations and in different International Conventions which took place in the DRC. He has also been involved in the translation of curriculums from English to French and vice-versa of some Theological College from South Africa and United State of America establishing their offices in the DRC. His interest lies in wetland, soil science, terrestrial ecology, environment and occupational health and safety.

Solomon has 3 years of consulting experience, and is a member of the KwaZulu-Natal branch of the International Association for Impact Assessment (IAIA) and International Association of Public Participation (IAP2).
