CURRICULUM VITAE

AVANTI MAHARAJ

MSc Environmental Science – University of Witwatersrand

BSc (Hons) Environmental Management – UNISA

BSc Environmental Science – UKZN

Environmental Scientist and Project Manager

Avanti graduated with a BSc in Environmental Science from the School of Environmental Sciences, University of KwaZulu-Natal (Howard College Campus). She continued with her qualifications by obtaining a BSc Honours in Environmental Management from UNISA and is currently completing her MSc in Environmental Science from the University of Witwatersrand. Added to her qualifications, she has gained over 12 years experience in Integrated Environmental Management from the NGO, local government, and private consulting sectors.

For the past 5 years, she has actively participated in unique government and parastatal projects such as the National Water Resources Strategy (Part II) plan and the Gauteng Transport Integrated Plan (25 year forecast), which has given her insight to key - stakeholder development progress which is beneficial to project facilitation and management experience.
